

Through our dedication to early learning, KEYSTONE SCHOOLS has acquired COVENTRY SCHOOL OF EARLY LEARNING... to expand our programming to Age 2 through 12th Grade:

- We value the OPTIMUM DEVELOPMENT OF THE WHOLE CHILD: social, emotional, cognitive, physical, creative, and moral.
- We strive to build a POSITIVE SELF-IMAGE, INDEPENDENCE, AND SELF-RESPONSIBILITY.
- We have a HANDS-ON APPROACH, promoting teacher-assisted discovery.
- By PLACING CHILDREN WHERE THEIR SKILL LEVELS LIE, we can work on the individual development level of each child.
- Our COOPERATIVE LEARNING EXPERIENCE groups students whose abilities differ to encourage children to teach one another.
- VERY LOW STUDENT-TO-TEACHER RATIO means more individual attention in order to maximize a child's developmental potential
- We can offer MORE CLASS TIME than other programs
- Together, we're TAKING EDUCATION TO THE NEXT LEVEL!
